Swift Green Line and Seaway Transit Center make Going to Boeing easier than ever!

Community Transit is proud to bring Swift to Boeing’s front door. Swift Green Line is ready when you are, with buses departing every 10 minutes on weekdays and every 15–20 minutes early mornings, nights and weekends.

You can count on Swift to connect you to Mill Creek and Canyon Park Park & Ride in Bothell, or transfer to the Swift Blue Line at Highway 99 and Airport Road to travel to Everett Station or to Aurora Village Transit Center.

The new Seaway Transit Center is conveniently located across from the Boeing main entrance, serving all Boeing routes from Community Transit, Everett Transit, King County Metro, and Sound Transit. You can walk to work or connect to a Boeing shuttle.
