

Guaranteed Ride Home

You'll always have a ride home.

Your worries are over! With Guaranteed Ride Home you'll never be stranded at work.

Guaranteed Ride Home (GRH) provides you with free taxi service to take you home. You're even allowed to make one brief stop along the way.

You can use GRH up to six times per year for an unexpected emergency, unscheduled overtime or if your ride home becomes unavailable.

You're free to carpool, vanpool, bike, walk or take the bus without worry. With Guaranteed Ride Home, you're covered.

Contact your company's Employee Transportation Coordinator for more information or to use the service.
