Guaranteed Ride Home

Peace of mind for your commute

Carpool, bike, or bus to work without worry.

If something unexpected happens during your workday, we'll cover your ride home with a free taxi service.

Free ride home

Commute with confidence knowing you have a backup ride when plans change.

Who can use it?

Employees who carpool, vanpool, bike, walk, or take transit to work.

Flexible support

Use this benefit up to six times a year. One stop allowed per ride if needed.

When can you use this service?

You've commuted using any transit mode except your own vehicle and while at work:

- You or a family member becomes ill.
- There's a childcare issue.
- Your rideshare vehicle left early.
- Your bike (or similar) has a flat tire or mechanical issue.

How do you get home?

1. Explain the emergency to your supervisor.
2. Fill out the GRH voucher.
3. Book a ride home via our preferred taxi provider and tell them this is a Community Transit Guaranteed Ride Home service request.
4. Give your taxi driver the GRH voucher. (You are responsible for any driver tips.)

Contact your supervisor for more information about using this service.
