Regional Reduced Fare Permit

If you're a senior, a person with a disability, or have a Medicare card, you can ride for less when you use public transportation services to travel around Puget Sound. The Regional Reduced Fare Permit (RRFP) is an ID card that entitles you to discount fares on 15 transportation systems throughout the Puget Sound region. All have wheelchair accessible services. Just show your card when boarding the ferries or any regular bus route (fixed route). Most agencies in this booklet also provide curb-to-curb paratransit services for those unable to use the regular route buses due to a disability. Having a Regional Reduced Fare Permit does not qualify you for paratransit services under the Americans with Disabilities Act (ADA), however. Please contact your local agency for more information on ADA paratransit eligibility and services.

Who Is eligible?

Any person who presents proof of one or more of the following conditions can obtain a Regional Reduced Fare Permit (the agencies reserve the right to contact your Health Care Provider for verification).

Permanent Permit:

1. Is at least 65 years of age.
2. Is currently certified by the Veterans Health Administration at a 40% or greater disability level.

Temporary Permit:

3. Is now eligible for Social Security Disability Benefits or now receives Supplemental Security Income Benefits because of disability.
4. Has a valid Medicare card issued by the Social Security Administration.
5. Has a valid ADA Paratransit card from outside the region.
6. Is currently participating in a vocational career program with the Washington State Individual Educational Program (IEP).
7. Has a Washington Department of Licensing issued disabled parking identification in conjunction with a government issued photo identification.

Permanent or Temporary Permit (case-by-case):

8. Has a valid Regional ADA Paratransit card.
9. Has obvious physical impairments meeting one or more of the medical criteria listed to the right.
10. Is certified by a Washington state-licensed Physician (M.D.), Psychiatrist, Psychologist (Ph.D.), Physician's Assistant (P.A.), Advanced Registered Nurse Practitioner (A.R.N.P.), Audiologist certified by the American Speech–Language–Hearing Association, or Osteopathic Physician (D.O.) as meeting one or more of the medical criteria.

How do I get a Regional Reduced Fare Permit?

It's easy. Call the transit agency nearest you or access their Web site for information. The permit costs only \$3.00.

How long is it valid?

Permits issued to persons 65 or older and to persons permanently disabled will be valid indefinitely. No renewal is necessary. Persons with disabilities that will last up to five years may receive temporary permits. These permits, which carry an expiration date based on documentation provided during the application process, may be renewed only if the disability continues beyond that date. Persons certified by approved health care providers as permanently disabled may receive permanent permits. Participating agencies retain the right to ask for recertification upon loss of a permit or at any other time.
