

Welcome to ORCA!

Use your new ORCA card to ride public transit across the region—this is the easiest, most cost-effective way to pay. For any trip—for work or play—ORCA has you covered.

With an ORCA card from your employer, you can

- Save money every time you ride transit.
- Ride many types of transit and transfer between systems.
- Help reduce congestion around the Puget Sound.
- Manage your account online or with the myORCA app.

Check with your employer for the value of your ORCA card—plans may include partially-funded or unlimited transit access.

ORCA card rules

- Your ORCA card contains a computer chip and is designed to be used for many years. Do not cut, scratch, bend or punch a hole in it.
- Your employee ORCA card cannot be shared with others.
- For a lost, defective or stolen card, contact your work administrator to order a new card and deactivate the old one.

Where and when to tap

Tap as you board

- Bus
- Metro Flex
- Trailhead Direct
- Water Taxi
- Runner

Tap before you board

- Link light rail
- RapidRide
- Seattle Center Monorail
- Sounder
- Seattle Streetcar

When you exit Link and Sounder, re-tap your ORCA card to complete the trip and to ensure you don't overpay!

What you can ride

- All regional agency buses
- Link light rail
- Sounder train
- Seattle Streetcar
- King County Water Taxi
- Kitsap Transit Ferries
- Trailhead Direct
- Metro Flex
- Pierce Transit Runner
- Seattle Monorail

For details on using ORCA on Washington State Ferries, contact your work administrator.
