

Swift Bus Rapid Transit (BRT) Expansion in Snohomish County

Plans to expand Swift BRT service will make frequent and reliable transit even more accessible as our communities grow.

BL Swift Blue Line

Runs between Everett Station and Aurora Village Transit Center in Shoreline. Connects with Swift Green Line at Highway 99 & Airport Road. In 2024, Swift Blue Line will be extended south to serve the 185th Street light rail station in Shoreline.

GN Swift Green Line

Runs between Seaway Transit Center near Boeing-Everett and Canyon Park Park & Ride in Bothell. Connects with Swift Blue Line at Highway 99 & Airport Road. Swift Green Line will be extended to serve downtown Bothell and UW Bothell/Cascadia College, and connect to Sound Transit's Stride S3 Line BRT service.

OR Swift Orange Line

Will run between Edmonds College in Lynnwood and McCollum Park Park & Ride in Mill Creek when it opens in 2024. Will connect with Link light rail at Lynnwood City Center Station, with Swift Blue Line at Highway 99 & 196th Street in Lynnwood, and will share stations with Swift Green Line on Bothell-Everett Highway in Mill Creek.

GD Swift Gold Line

Is planned to open between 2027 and 2029 to connect Everett Station with Smokey Point Transit Center in Arlington. Swift Gold Line will service downtown Marysville, the Cascade Industrial Center, and Everett Community College.
