Ash Way

Ash Way is a thriving community rich with development, where residents, workers and visitors can shop, grab a bite to eat or visit nearby Martha Lake. Getting around is easy too when you choose smart trips by riding the bus, biking, walking or sharing the ride.

Bus

Where your feet or bike can’t take you, there’s another option—let us drive for you! Running 365 days a year, Ash Way is served by both local and regional buses. Heading to Alderwood Mall? The Multho waterfront? Or downtown Seattle? There’s direct service just a short walk away. For everywhere else, there’s an easy connection! Visit www.communitytransit.org/TripFinder to plan your route.

Transportation Tips: Try Bus Finder to find out when your bus will be leaving your stop. It’s easy to use from your mobile phone or computer at www.mybusfinder.org.

* Applies on Routes 421, 422, 424, 425, 821 when traveling to/from Seattle and Lake Stevens, Marysville, Monroe (alternately known as Stanwood), or Stanwood. This is the street of serving only between Snohomish and Lynnwood Transit Center to be changed to “South/Everett” fare.

Paying for your Bus
ORCA (One Regional Card for All) is the easiest way to get around the Puget Sound. Your ORCA card gets you access on bus, commuter rail, light rail and ferries. Plus, there are many choices for loading your card that allow you to choose the best option for how you ride.

ORCA can be used on Community Transit, Everett Transit, King County Metro, Kitsap Transit, Pierce Transit, Sound Transit, and Washington State Ferries.

Grab your ORCA card today! Check the map for ORCA retailers in Lynnwood, call 1-888-988-6722 or visit www.orcacard.com.

Bike

Bicycling is a great way to combine the trips you need to take with your workout. A basket, saddlebag or a simple backpack can make a trip to the store a breeze—literally! For longer distances, consider combining your bike trip with the bus. All regional buses come fully loaded with easy-to-use bike racks and bike lockers are available at many local park & rides, including nearby Ash Way Park and Ride.

Follow Lane Markings: When going through an intersection, use the lane marked for your direction of travel. Do not use a right turn lane when going straight.

Share the Trail: Alert others when passing by using your voice or a bell. Slow down and look both ways when the trail crosses roads or driveways.

Signal your Intentions: Let other cyclists, pedestrians, and motorists know where you’re going—always signal before a turn.

Ride Predictably: Don’t weave between parked cars. Riding a consistent line on the right side of the road helps drivers see you and know what to expect.

Watch Parked Cars: Keep clear of the “door zone” when passing parked cars. Give them a wide berth or ride slowly and be prepared to stop.

Remember: You’re a Vehicle: Obey all traffic laws, including stop lights, stop signs, and riding on the street. Sidewalk laws vary by city, but for pedestrian and cyclist safety, road riding is recommended. Having a working headlight (not a reflector) is the state law for night riding.

Wear a Helmet: The City of Lynnwood requires helmets to be worn by riders at all times. Outside of Lynnwood the law varies—but safety first!

Walking

With many choices for entertainment at your fingertips, Ash Way is a great place to leave the car behind and strap on those walking shoes. According to the American Heart Association, walking just 10 minutes 5 times a week is enough to improve your overall health and reduce stress. Try this suggested walking route:

Interurban Trail: Pick up the trail on 146th Street and Meadow Road, following it north, parallel to I-5. When you reach the trail exit at 148th Street, head east, then north on Meadow Road. East again on 144th Street will land you at Martha Lake Airport Park, an old airfield turned into a 29-acre park.

1.7 miles = 21 minutes = 120 calories

Alderwood Mall: Boasts over 200 stores, restaurants, and places for fun! With the new Costco and the AMC, Alderwood’s 16 bookending the mall, you’ll be able to enjoy a stay-on and entertainment experience with easy access to the interurban trail and numerous bus routes.
