Edmonds Community College — How do you get around your campus and neighborhood?

Edmonds Community College is the central hub for over 13,000 students, staff, and faculty in the heart of a growing downtown community. Use this guide to explore your neighborhood and find ways to get around with ease by riding the bus, biking, and walking.

**Bike**

Bicycling is a great way to combine the trips you need to take with your exercise. A local, hardwood or a simple backpack can make a trip to the store a breeze! For longer trips, consider combining your bike trip with the bus.

**Cycling Tips**
- **Remember, You’re a Vehicle.** Obey all traffic laws, including stop signs and signals. Sidewalks vary by city, but for pedestrian and cyclist safety, riding on the road is recommended for night riding and a flashing rear light is a good idea.
- **Plan Your Route.** Use the map to plan your route in advance as much as possible. Keep in mind traffic, hills, and lighting.
- **Share the Trail.** Alert others when passing by using your voice or a bell. Slow down and look both ways when the trail crosses roads or driveways.
- **Signal your Intentions.** Let other cyclists, pedestrians, and motorists know where you’re going—always signal before you turn.
- **Ride Predictably.** Don’t weave between parked cars. Riding in a consistent line on the right side of the travel lane helps drivers see you and know what to expect. Use the entire lane if you have to.
- **Wear a Helmet.** The city of Lynnwood and all of King County requires helmets to be worn by all riders. Plus, it’s smart to be safe.

For more information on how to take your bike on the bus, rent a bike locker, or discover rules and best practices of safe cycling, visit communitytransit.org/bikes.

**Walk**

With its own on-campus restaurants, and entertainment at your fingertips, it is easy to leave the car behind and step onto those walking trails. According to the American Heart Association, walking just 30 minutes, 5 times a week is enough to improve your overall health and reduce stress.

**Walking Tips**
- **Be Safe, Be Seen.** If you’re outside in dark or hard to see conditions, it is helpful to wear light colored clothing, reflectors or even being a flashlight. All of this will help you be more visible to drivers who might not see you.
- **Be Aware Of Your Surroundings.** Look both ways before crossing the street even if you have the right-of-way. Make eye contact with drivers before crossing. Be especially cautious of driveways and mid-blocks.
- **Watch Your Step.** If there are sidewalks or pathways on your route, the rules of the road say you should walk on the left-side, facing traffic. This way, you can see the traffic coming, establish eye-contact with the driver and make quick judgments to protect yourself.

**Campus Travel Choices**

**The EdPass**

The EdPass is more than just an ID card. It’s your personal travel pass for unlimited rides on all Community Transit buses.

- **Students:** $10 one-time fee for a new EdPass/ORCA card, $26 each quarter
- **Staff:** $45 per quarter

Get it in three easy steps:
1. Register for “ORCA” the bus pass class, along with your other classes.
2. Pay for your classes (and bus pass) online at the Cashier’s Office in Lynnwood Hall
3. Get the new EdPass plus ORCA bus benefits at the bookstore. Bring your old EdPass, if you’ve got one. Your balance will be transferred to your new card.

You can add additional E-purse funds to your EdPass/ORCA card to use on other regional transit agencies. Visit orcacard.com or ORCA card location near you.

**Bike Lockers**

Lockers are on the west side of Brier Hall and available to current students and staff at no cost. No need to worry about your bike while you’re at class or studying in the library, and no extra keys to manage — your EdPass gives you access. Head over to Security in Woodway Hall 214 to get access.

**Bikes in Your Shops**
