

Changes to Service

March 19, 2023

On March 19, Community Transit will reduce weekday service on nine bus routes. These changes will improve reliability and eliminate most last-minute canceled bus trips. There will not be changes to weekend bus trips.

Routes with trip suspensions

Community Transit will suspend some weekday trips on the routes listed below. This means there will be changes to the schedule. Check your route schedule for new bus times.

communitytransit.org/servicechange

We encourage all riders to check the new March 2023 route schedules. There are minor time changes on most other routes as well.

On most routes, we changed trip times slightly (by 5 to 10 minutes) to improve connections and on-time service. A few routes have more significant changes to trip times. To view the new bus schedules, go to **communitytransit.org** and click:

- **Maps & Schedules** to view the updated schedule for your route. Be sure to select the planned schedules for March 19.
- **Plan My Trip** to check what time the bus is scheduled to get you where you need to go and plan your trip accordingly. Be sure to set the departure or arrival time to March 19 or later to see the new schedule.

Updated bus schedules will also be posted at **bus stops** by March 19.

Community Transit is making these changes due to the national driver shortage. We are actively recruiting new drivers to meet future demand and prepare for light rail coming to Snohomish County. Visit **communitytransit.org/drive4us** for details about full-time and part-time driver jobs.
